Sunday, June 6, 2021 7:00 PM via Zoom Meeting

Members Present: Les Isaksen, Tys Sniffen, Andrew Clark, Marco Volpe; Marc Marshall, Ginny Stone;
Members Absent: Mo Moscoe; Visitors: None.

The brief meeting was called to discuss getting some volunteers to obtain quotes for the sealing project. Majority of the board members committed to contacting and trying to obtain some quotes for asphalt sealing (about 2-3 quotes per person).

Also brought up the idea of volunteering board members to do some grant research and writing for grant proposals to the RCD and related type entities to help with funding for important projects, such as shoring up some of the road slip-outs that occurred during the heavy rainy season in 2017
